The Early Years Framework

Children will learn new skills, acquire new knowledge and demonstrate their understanding in the 7 areas of learning and development.

**Personal , social and
emotional development
Communication and
language
Physical development**

Specific areas

Mathematics

Literacy

**Understanding the WORLD
EXPRESSIVE ARTS AND**

Children mostly develop in 3 prime areas first, which then supports development in the 4 specific areas.

These 7 areas support and guide the teaching and learning of the EYFS.

Children in the EYFS learn by playing and exploring, being active and through creative and critical thinking which takes place both indoors and outdoors. This occurs in both free play and directed activities.

Play underpins the EYFS. It also underpins learning and all aspects of children's development. Through play, children develop language skills, their emotions and creativity, social and intellectual skills. For some children play is scaffolded to support their unique learning and development.

RE

As member of a Catholic Primary school your child will participate in regular RE lessons.

These are age appropriate and follow the diocesan materials.

Children will participate in daily prayers and in small group, class and key stage collective worship.

Home visits

- Home visits will be on Tuesday 2nd September between 12:30-3:30 and Wednesday 3rd September between 9:00am and 3:30 pm.
- Children will visit our setting with an adult on Thursday 4th September (9:30-10:30) (1:30-2:30)
- Children will visit our setting without an adult on Friday 5th September (9:30-11:00) and (1:30-3:00)
- All children will begin their full Nursery entitlement on Monday 8th September

Special Educational Needs

Through our daily routine observations, children with SEN are identified at an early stage and strategies are developed between the teacher and the school's Special Educational needs Co-ordinator (SENCO) to address the concerns and to ensure that school can meet the needs of your child.

Please do inform the school of any specialists currently involved with your child. If you have any concerns, please do not hesitate to speak to a member of the Early years team or our school SENCO Mr Smith.
